

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since nineteen fifty nine. Whether the work entails positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler would help make the work go easier and faster. These units are complete together with the patented Stabil-Trak stability system in order to ensure operator confidence.

The Lull horizontal load placement system provides eighty inches of boom travel for precision placement capabilities. Various optional accessories is accessible for Lull telehandlers in order to help finish whatever work.
