

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality to be able to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design ideas as proven in their product development. They enjoy providing products which energize both their partners and their dealers and provide production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their customers' cleaning machines running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cleaning expense. The price, the service and the product all work as one to make them an industry leader.
