

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the business as durable and strong machines that suits the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to supply machinery, components and warranty service for these kinds of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in different construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
