

Advance-Nilfisk Parts

Advance-Nilfisk Part - Imagine how long and tiresome it would actually be to tidy up right after a party, with out help from machines. Not too long ago, the dirt from upholstery and carpets had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the best cleaning products at the time.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After starting his company during 1906, he began to make motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's vision from the beginning was to have an international company marketing merchandise globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single individual. This invention came in a time where numerous cleaning equipment were massive and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the way we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning machines offer a brilliant solution to an existing problem; stuff get filthy and should be cleaned on a regular basis, without a lot of effort.

Slowly but progressively, Nilfisk-Advance developed throughout the years. During the nineteen eighties, this expansion truly happened the time the company became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be one of the leading global players in the market of professional cleaning equipment. Nilfisk-Advance is now located in all parts of the world due to gradually acquiring many smaller companies to be able to expand their product portfolio and presence in new markets. They are proud to provide various cleaning solutions to suit every requirement.
