

Fork Mounted Sweeper

Fork Mounted Sweeper - This attachment makes industrial sweeping jobs a lot easier to accomplish. The handy forklift mounted broom is designed for use with either wet or dry material clean ups. It could push snow and squeegee water with no trouble. This attachment is normally utilized to clean debris from parking lots, warehouses, construction sites, docks and almost anywhere it is needed. The forklift sweeper is a low maintenance attachment that make use of quick-tite fork products to easily attach to the lift truck.
